O P T C O

OPTCO began operations 5 years ago, primarily focusing on Contracting and construction projects. At the beginning of 2021, OPTCO started operation dependently with a primary focus on Energy, Water, Oil & Gas, and Industrials

OPTCO is building strategic alliances and distribution agreements with world leaders to build a powerful portfolio of high-technology products complemented with an innovative turnkey solution tailored toward key industries and infrastructure-related projects. From the beginning, Sunroof's strategy focused on four major business areas, Energy, Oil & Gas, Water, and Industrials, to do General Trade, Services, and Construction.

Through its Dammam Headquarter Office, OPTCO has already established exclusive/distributor agreement as well as teaming agreements for providing turn-key solutions and execution-related projects. In addition, OPTCO has pre-qualified with major utilities, petrochemical oil and gas industries, energy, EPC Contractors, and Water Solutions. For more information pls. refer to the brochure attached.

Mission

Vision

Values

Our mission is to provide advanced integrated solutions so that we can become one of the strategic trading hubs for commodities, products, and services, leading to a comprehensive solution based on the economy and new technologies that leads to knowledge trust and partnership with our clients.
